Hello,

Thank you very much for volunteering to serve on the SUSD Wellness Committee as a parent or guardian of an SUSD student. This SUSD committee is led by Dr. Steve Chestnut, Exec Dir of Student Services. SPC was asked to identify candidates to represent family voice.

Due to great interest of parents to serve on this committee, and the desire of the district to include all SUSD Learning Communities, district administration has provided six parent representative positions, rather than three that were originally planned.

The following individuals have been approved by the SPC board to be seated on the SUSD Wellness Committee:

- Angela Munoz, Yavapai,
- Cheryl Der Ananian, Hopi,
- Margaret Lehn, Mohave and Saguaro,
- Anya Barry, Cocopah, Chaparral,
- Karen Underwood, Mountainside Middle School, Desert Mountain High School
- Maria Bauman, Desert Canyon Elementary School

Thank to the above SUSD family members for giving of their time and knowledge to represent each of SUSD Learning Communities; Elementary, Middle and High Schools; as well as areas of experience related to wellness.

If you were not selected for the District committee, and are interested in serving on the separate, but related, SPC Prevention & Wellness Committee, please complete the general member form on our SPC website: <https://docs.google.com/forms/d/e/1FAIpQLScRK35BX360T-0FMriRHc92peptOnzFy0FdssrpHAb5a6MjFg/viewform>, and indicate your interest in the P & W committee on this form.

Thank you for your dedication to the well being of all our students.

Kind regards,

Karen Gifford
SPC Co-President/Chair, SPC Prevention & Wellness Committee
